Your chosen ferry operator will produce your luggage labels with your accommodation and travel details printed on them, for both your travel to and from the island. Your specific accommodation number must be handwritten on any luggage labels with a permanent marker prior to loading your luggage at the ferry terminal, to enable correct delivery to your accommodation.

If any change is made to your ferry departure time or date, new luggage labels must be collected from the island Visitor Centre with the old labels removed to avoid confusion.

On the day of your departure, your luggage will be collected from outside your gate (or the communal luggage points at Caroline Thomson, Governor Circle, Kingstown Barracks, and the Campground) at 8 am.

Guests staying at the Campground or in the Kingstown Barracks will have their luggage collected at 9 am from the communal luggage points.

For those departing the island on a ferry leaving before 10 am please contact the Visitor Centre 24 hours in advance to arrange for an early luggage pick-up at 7 am.

For more information regarding luggage or if you need to reschedule your ticket due to a change in circumstances, please contact your ferry operator directly.

#### Q. Can I bring hand luggage?

A. Any medication or fragile items should be carried in your hand luggage. Please be aware that once your stored luggage is removed from the ferry you will not be able to access it until it has been sorted and delivered to your accommodation.

#### Q. Are there luggage weight restrictions?

A. Please be aware that to comply with occupational health and safety regulations, size and weight restrictions apply to your luggage.

- Each bag with handles – maximum 22 kg
- Each cardboard box – maximum 10 kg
- Each luggage item must not exceed 800 mm x 500 mm x 400 mm
- No 'piggy-backing' of baggage items is allowed. For example: attaching a sleeping bag to a suitcase.

#### Q. What luggage can be delivered to my accommodation?

A. To ensure the smooth delivery of your luggage, it is essential that it is correctly labelled with the luggage tags supplied by your chosen ferry operator. We are only able to deliver luggage up to a maximum weight of 22 kg per piece.

We aim to deliver all correctly labelled luggage within three hours of your arrival on Rottnest Island. Further delays will be experienced if your luggage is overweight, unlabelled or has the incorrect accommodation noted. Additional charges may be applied for overweight luggage.

#### Delivery of non-standard luggage items

Items such as surfboards, kayaks and golf bags will not be delivered as standard items.

These non-standard luggage items can be delivered for a fee of \$12.50 each way, which can be arranged and paid for at the Visitor Centre on arrival.

These items must be picked up by passengers from the ferry after disembarkation and placed on the marked bench at the end of the main jetty.

A non-standard luggage label is obtainable from the Visitor Centre and must be placed on the item of luggage to enable delivery to your accommodation.

**Non-deliverable luggage items**

Adult bicycles, craypots, unfolded trolleys, fishing rods (unless in tubes), dive cylinders and gas cylinders will not be delivered and must be picked up from the ferry when disembarking.

Any alcohol will not be delivered to Kingstown Barracks or the Campground.
